

WASHINGTON-PARKS ACADEMY

A Cornerstone School

02/01/2021

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2019-20 educational progress for the Washington-Parks Academy and Lincoln-King Academy. The AER addresses the complex reporting information required by federal and some requirements of state laws. Our staff is available to help you understand this information. Please contact Washington-Parks Academy at [313-592-6061](tel:313-592-6061) for help if you need assistance.

The DISTRICT AER is available for you to review electronically by visiting the following web WPA District: <https://bit.ly/3diIFQ1> , or you may review a copy in the main office at your child's school. Each school will also be communicating their own AER to parents directly.

These reports contain the following information:

Student Assessment Data – Includes the following three assessments: M-STEP (Michigan Student Test of Educational Progress), MI-Access (Alternate Assessment), and College Board SAT. Presents assessment information for English language arts and mathematics for grades 3 to 8 and 11, and MI-Access science for grades 4, 7, and 11, compared to state averages for all students as well as subgroups of students. The report helps users to understand achievement performance within grades and schools, and to make comparisons to district, state, and national achievement benchmarks.

Accountability – Detail Data and Status

The accountability portion of the AER includes assessment proficiency and participation rates, graduation or attendance rates, as well as accountability index values showing school performance on a 0-100 scale.

Teacher Qualification Data

- Identifies the number and percentage of inexperienced teachers, principals, and other school leaders
Reports teachers who are teaching with emergency or provisional credentials
- Includes teachers who are not teaching in the subject or field for which they are certified

NAEP Data (National Assessment of Educational Progress)

- Provides state results of the national assessment in mathematics and reading every other year in grades 4 and 8

Civil Rights Data

- Provides information on school quality, climate and safety

Review the table below listing our schools. For the 2018-19 school year, schools were identified using definitions and labels as required in the Every Student Succeeds Act (ESSA). A Targeted Support and Improvement (TSI) school is one that has at least one underperforming student subgroup. An Additional Targeted Support (ATS) school is one that has three or more underperforming student subgroups. A Comprehensive Support and Improvement (CSI) school is one whose performance is in the lowest 5% of all schools in the state or has a graduation rate at or below 67%. Some schools are not identified with any of these labels. In these cases, no status label is given.

School Name	Status Label	Key Initiative to Accelerate Achievement
Washington-Parks Academy	None	Tutoring and Saturday School
Lincoln-King Academy	None	Tutoring and Saturday School

Washington Parks Academy District continues to be an excellent educational experience for students in Kindergarten through Eighth Grade. Our goal is to develop confident, compassionate, intellectually curious young people who are well prepared to excel throughout their high school years to live a fulfilling life.

Through a menu of challenging academics, Washington Parks Academy District provides opportunities for students to grow and stretch in new directions. We have a strong parent community who are involved with multiple aspects of our school. Our dedicated staff is well trained and committed to professional learning and best practices. Together staff, parents and external partners support the school journey of growth. Our staff is committed to developing the whole child by building character and ensuring the progression of intellectual, social, emotional and physical growth.

Excitement and enthusiasm are two words that describe our school students. Kindergarten through high school is a unique time in children's lives when they carefully explore their purpose in life, new activities, interests and ideas. The planned curriculum, with emphasis on career and college skills, is designed to prepare students for the expectations of tomorrow.

We look forward to another rewarding and successful school year!

Sincerely,

Phillip Price

Mr. Phillip Price

Academic Lead

8	Math	81.9	2.48	95	1.79
	Reading	83.3	2.41	91	3.97

The National Assessment of Educational Progress (NAEP) is periodically administered by the U.S. Department of Education based on assessments administered to samples of students in each state. Federal regulations require the display of state level NAEP data on the Annual Education Report. These data represent the performance of the most recent sample of Michigan students on the NAEP.

NAEP Participation Data

Grade	Subject	Participation Rate for Students with Disabilities	Standard Error	Participation Rate for Limited English Proficient Students	Standard Error
4	Math	86.9	2.25	97	0.97
	Reading	85.4	2.57	98	1.04
8	Math	81.9	2.48	95	1.79
	Reading	83.3	2.41	91	3.97

The National Assessment of Educational Progress (NAEP) is periodically administered by the U.S. Department of Education based on assessments administered to samples of students in each state. Federal regulations require the display of state level NAEP data on the Annual Education Report. These data represent the performance of the most recent sample of Michigan students on the NAEP.
