Cornerstone Class of 1996

In August 2004, Cornerstone Schools hosted the inaugural Turning Point Invitational (TPI) to commemorate the 50th anniversary of Arnold Palmer’s US Amateur win at the Country Club of Detroit. The TPI laid the foundation for building a community of friends to create turning points in the lives of Cornerstone students.

This year marks the 18th TPI and the launch of Cornerstone’s football program. Our goal is to raise \$250K to build the football program from the ground up. With over seventy young men showing up for practice and trying out for the team, we have an opportunity to create turning points in their lives. Join us in kicking off Cornerstone’s inaugural football season this Fall.
