

Anti-Bullying Policy

The Madison-Carver Academy (the “Academy”) Board of Directors recognizes that a safe and civil environment in school is necessary for students to learn and achieve high academic standards. The Academy finds that bullying, like other disruptive or violent behavior, is conduct that disrupts both a student’s ability to learn and a school’s ability to educate its students in a safe environment.

The Academy’s Board of Directors delegates to the Principal the responsibility to notify all students of the Academy and employees of the Educational Service Provider of this policy and to create any related administrative procedures necessary to properly implement and ensure compliance with this policy.

The Academy’s Board of Directors requires the Principal to annually disseminate the policy to all Academy staff, students, and parents and to include this policy in the student handbook. The Educational Service Provider shall incorporate information regarding the policy against bullying into each of its employee training programs and employee handbooks.

This policy applies to all “at school” activities in the Academy, defined as: in a classroom, elsewhere on Academy premises, on an Academy bus or other Academy-related vehicle, or at an Academy-sponsored activity or event whether or not it is held on Academy premises. “At school” includes conduct using a telecommunications access device or telecommunications service provider that occurs off Academy premises if the telecommunications access device or telecommunications service provider is owned by or under the control of the Academy.
