

**Salaries in the Madison-Carver Academy district:**

On average, the salary for new teachers who hold no teaching certificate (or have held one for less than 5 years) is \$58,025. The average salary for veteran teachers who have held a teaching certificate for 5+ years is \$78,472. The average salary for support staff (at the building level only) is \$54,842. If we include the management company as well, that average salary for support staff becomes \$68,728.
