

Lincoln-King Adams-Young Academy

1. What was the total amount of the district's Section 31a allocation for the 2025-26 school year?

\$3,017,676.60

2. Describe the district's methodology and decision-making for distributing Section 31a At-risk grant funds to target the buildings with the highest needs.

The district is a single-building district; therefore, all funds are allocated to the single K-8 school in the district.

3. What evidence-based interventions and services were implemented with the Section 31a At-risk grant funds during the 2025-26 grant cycle?

The district implemented academic in-classroom supports, small group instruction, academic and behavior interventions, instructional coaching for teachers, increased academic materials and resource supports, nursing services, mental health/social worker services, school security support, parent engagement supports and extended day/year supports (summer school and after-school).

4. In what ways has the district collected feedback from parents or legal guardians on these interventions and services provided this year?

The district has collected feedback from parents or legal guardians on these interventions and services through multiple avenues; including, but not limited to: surveys, parent-teacher conferences, Individualized Education Program (IEP), annual Title I meetings, family engagement event feedback and on-going communication between school and home. This feedback has informed the Comprehensive Needs Assessment (CNA) and used to inform school initiatives.

5. Describe the method parents or legal guardians may use to provide feedback on the use of these funds.

Individual meetings, parent-teacher conferences, email or phone correspondence, ongoing communications between home and school.
